Transfiguration

For that one moment, 'in and out of time'
On that one mountain where all moments
meet,
The daily veil that covers the sublime
In darkling glass fell dazzled at his feet.
There were no angels full of eyes and wings
Just living glory full of truth and grace.
The Love that dances at the heart of things
Shone out upon us from a human face
And to that light the light in us leaped up,
We felt it quicken somewhere deep within,
A sudden blaze of long-extinguished hope
Trembled and tingled through the tender
skin.
Nor can this this blackened sky, this
darkened scar
Eclipse that glimpse of how things really
are
