Do not be afraid of change, for the eternal now in which you live, the changeless love that surrounds you, will take you through whatever is to come, bringing you safely to the embrace of the One who watches over you.

You do not need to try to control every moment, predict every outcome, struggle with every new reality. You only need to trust in what your heart tells you: that you are loved unconditionally, that you are cared for unceasingly, that you are secure in arms that will never let you go. Life is within you, always.

Change will come and go, but what you feel when you close your eyes in prayer will outlast even the stars above you.

~ The Rt. Rev. Steven Charleston
