NO DECEMBER ANNIVERSARIES

You Are Not Alone

When you're lost in chaos, broken
Blinded by the night
And the air chokes within you
And nothing you do is right

There's a light in the darkness
A calm in every storm
Like the stillness
That's waiting for the dawn

You are not alone
Love will lead you home
You are not alone

I am with you in the darkness
In your darkest night
When you're lying there broken
Gasping for your life

Come, let me lift and hold you
And breathe in you my life
I will pull you from the darkness
Into eternal life

You are not alone
Love will lead you home
You are not alone

You are not
You are not
You are not alone
