2020

God of all time, help us enter the New Year quietly, thoughtful of who we are to ourselves and to others, mindful that our steps make an impact and our words carry power.

May we walk gently.

May we speak only after we have listened well.

Creator of all life, help us enter the New Year reverently, aware that you have endowed every creature and plant, every person and habitat with beauty and purpose.

May we regard the world with tenderness.

May we honor rather than destroy.

Lover of all souls, help us enter the New Year joyfully, willing to laugh and dance and dream, remembering our many gifts with thanks and looking forward to blessings yet to come.

May we welcome your lavish love. In this new year, may the grace and peace of Christ bless us now and in the days ahead.
