Ten Ways The Year 2020 Changed Me

- (1) I own more toilet paper now than I have ever owned before,
- (2) I have ordered more things online than ever before and I will probably keep doing it,
- (3) I have watched every historical drama or documentary ever produced,
- (4) I can sense the approach of the delivery driver,
- (5) I have the cleanest hands in the Western Hemisphere,
- (6) my cooking has improved through practice,
- (7) I have worn a mask so much that I now believe I am able to perform surgery,
- (8) I am more aware of the plants in my house,
- (9) if I stay in the house much longer I will become a guided meditation, and,
- (10) I am a happier introvert than I ever expected to be.
