## You Will See Them Again

You will see them again. All those you love, but think you have lost. You will see them once again.

I say this not to preach my own theology, but to speak a word in the language of faith for every human being. I want to speak an ancient hope, a belief that encompasses and transcends tradition, a universal cry of the spirit, a vision generations of the human family have held sacred.

We want to see those we love again. Beyond the separation of death. Beyond time and space. We want the bond of love to be unbroken, especially for those souls with whom we have a deep history, a trust unspoken, and a story yet to complete.

I cannot tell you how or why. I can only rise to offer the truth of so many people, of so many faiths, over such a long period of time: yes, we believe we will see our loved ones again. Beyond the separation of death. That is our faith and we are grateful for it.
