NO MARCH ANNIVERSARIES

FOR LONGING

Blessed be the longing that brought you here
And quickens your soul with wonder.

May you have the courage to listen to the voice of desire
That disturbs you when you have settled for something
safe.

May you have the wisdom to enter generously into your
own unease
To discover the new direction your longing wants you
to take.

May the forms of your belonging—in love, creativity
and friendship—
Be equal to the grandeur and the call of your soul.

May your dreams gradually reveal the destination of
your desire.

May a secret Providence guide your thought and
nurture your feeling.

May your mind inhabit life with the sureness with
which your body inhabits the world.

May your heart never be haunted by ghost-structures
of old damage.

May you come to accept your longing as divine urgency.

May you know the urgency with which God longs for
you.
