"If I were a man I think I'd be a minister. They can have such an influence for good, if their theology is sound; and it must be thrilling to preach splendid sermons and stir your hearers' hearts. Why can't women be ministers, Marilla? I asked Mrs. Lynde that and she was shocked and said it would be a scandalous thing. She said there might be female ministers in the States and she believed there was, but thank goodness we hadn't got to that stage in Canada yet and she hoped we never would. But I don't see why. I think women would make splendid ministers. When there is a social to be got up or a church tea or anything else to raise money the women have to turn to and do the work. I'm sure Mrs. Lynde can pray every bit as well as Superintendent Bell and I've no doubt she could preach too with a little practice."
