I am an Episcopalian because a friend invited me to church. I am because of six centuries of music that is so beautiful it brings tears to my eyes. I am because we are a body of believers who can say that we are truly sorry and we humbly repent. I am because we have women behind the altar and men on the altar guild. I am because all are welcome to the table of the feast that fills my heart. I am an Episcopalian because this is where I found my life, and because this is where God blessed me just the way I needed to be blessed.
